DU608

Dusseldorfer Pallet 600 x 800 mm

Features

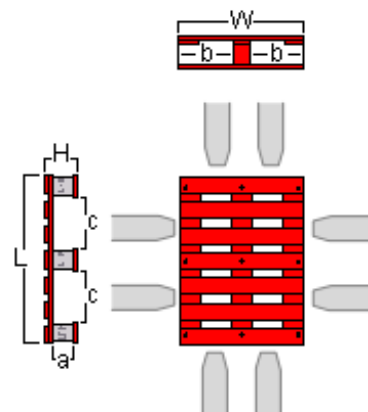

- ▶ A general purpose pallet for smaller unit loads and in-store displays which is suitable for automated production and warehousing systems.
- ▶ Robust design - pallet resilience enhanced via strong, durable steel block construction.
- ▶ Every LPR pallet is inspected and – when required - repaired every cycle according to LPR's high quality standards.
- ▶ Can be used with all standard handling equipment (4-way entry).
- ▶ LPR uses only quality timber and controls the origin of the wood of its pallet pool.
- ▶ Can be easily identified through its distinctive red water based paint on all sides of the pallets.

Regulatory compliance

- ▶ LPR pallets are designed and manufactured according to the applicable **ISO standards**.
- ▶ LPR pallets comply with all relevant **European legislation** for the FMCG sector and with the **REACH** regulations.
- ▶ LPR is the first company in the pallet pooling sector which has certified **PEFC** chain of custody.
- ▶ The performance of LPR's pallets is tested and rated according to the **ISO 8611** standard.
- ▶ LPR's operations are certified to the **ISO 9001** standard.
