

EU Declaration of Conformity

Pursuant to Regulation (EU) 2025/40, Annex VIII (DoC)

RQP46 – DECLARATION OF CONFORMITY (Annex VIII)

1 Unique identification of the packaging

RQP46

(400 x 600 x 140 mm)

2 Name & address of the manufacturer (and authorised representative)

LPR Europe B.V.
Postbus 1887, 2280DW Rijswijk, The Netherlands

Manufacturer per PPWR Art. 3(13): LPR designs and markets the packaging under its own name.

Authorised representative: none appointed. LPR Europe B.V. is the manufacturer established in the EU (Art. 3(13)) and retains the EU declaration of conformity and technical documentation (Art. 17 authorised representative is optional and not used).

Any per-Member-State authorised representative for extended producer responsibility (Art. 45) is handled separately under the EPR/registration workstream.

3 Sole-responsibility statement

This declaration of conformity is issued under the sole responsibility of the manufacturer. LPR Europe B.V. declares under its sole responsibility that the packaging described below complies with Regulation (EU) 2025/40 (PPWR).

4 Object of the declaration

Main material:

Polypropylene: 70% virgin polypropylene (PP) + ≤ 30% recycled Polypropylene (rPP)

Additives: < 1% colour masterbatch (red pigment), UV stabiliser, processing aids

Label: In-mould barcode label (HDPE with microporous polyolefin synthetic paper)

Substances used on the pallet: None

Format: 400 x 600 x 140 mm

Type: Reusable Transport packaging (closed loop pooling system)

Food contact: No

Description: The pallet is considered tertiary packaging, defined as packaging designed to facilitate the handling and transport of multiple sales units or grouped packages, while preventing damage during physical handling and transportation (as defined in the international standard EN 14182 (2003).

The pallet is intended for use within the LPR – La Palette Rouge controlled closed-loop pooling system.

Throughout the entire cycle, LPR retains ownership of the pallet.

EU Declaration of Conformity

Pursuant to Regulation (EU) 2025/40, Annex VIII (DoC)

Ready-to-use pallets are dispatched from an LPR Service Centre, filled with produce at customer sites, and then transported through retailer distribution centres to stores. Once emptied, the pallets are returned to an LPR Service Centre. The pallets are sorted out after each rotation (full service) and inspected according to LPR technical specifications.

The pallet is designed for repeated use across multiple rotations throughout its lifespan.

Pallets that have reached the end of their life are removed from circulation.

5 Conformity with other Union legislation

- Regulation (EU) No. 2025/40 on packaging and packaging waste (PPWR)
- REACH Regulation (EC) No. 1907/2006, Authorisation List (Annex XIV), Restriction List (Annex XVII), and Candidate List of SVHCs
- CLP Regulation (EC) No. 1272/2008
- POPs Regulation (EU) No. 2019/1021

6 Harmonised standards / common specifications

- **EN 13429:2004** – Packaging: Reuse
- **ISO 6780:2003** – Flat pallets for intercontinental materials handling – Principal dimensions and tolerances – Applicable for new pallets only.
- **EN 13382:2002** – Flat Pallets for Materials Handling – Principal dimensions – Applicable for new pallets only.

No common specifications published under PPWR as of mid-2026.

7 Notified body

Not applicable. No mandatory third-party conformity assessment applies to this packaging under the PPWR provisions in force on 12 August 2026.
